3rd Annual Water Safety Seminar

May 21st • Margaritaville Lake Resort

1. Event Management: The Water Safety Seminar is a presentation of the Lake of the Ozarks Water Safety Council (hereinafter referred to as "Event Management") which shall have the right, which it hereby expressly reserves, to make such rules and regulations as it shall deem advisable for the success of the Water Safety Seminar, and to change and amend the same from time to time, which shall govern the proper conduct of said seminar and the use of this contract and the space herein reserved by the Exhibitor/Vendor. The Event Management's application, interpretation, and construction of said rules and regulations shall be final.
2. Eligible Exhibits and Appropriate Material: **The Water Safety Seminar is a family-oriented event.** The Event Management reserves the right to determine the eligibility of any company or product for inclusion. We reserve the right to limit applications based on the type of merchandise. **Items prohibited for sale or display include, but are not limited to food items, alcohol, tobacco products, knives, firecrackers, snapping pops, silly string, fake cigarettes, stink bombs, marshmallow guns, spray foam, paint balls, balloons and items promoting drugs, drug paraphernalia or have offensive language. Items considered by Event Management to be objectionable or of an inappropriate nature must be removed—failure to comply will result in the Exhibit being removed. Firearms** may be displayed but may not be sold. Firearms will be subject to inspection and any that are found to be loaded will disqualify the display and the vendor will be removed without refund.
3. Set-up: Exhibitors will set up between 7:00 AM and 8:00 AM on Saturday, the day of the Water Safety Seminar. Exhibitors/Vendors arriving for set-up after the scheduled set-up time can be relocated to any location specified by Event Management, or, if no alternative is available, may forfeit their participation rights.
4. Tear-down: **Exhibitor/Vendor is responsible for own clean-up and trash disposal.** Please break down all cardboard boxes. Exhibitors/Vendors may remove their exhibits at the end on Saturday—dismantling prior to these hours may result in not being allowed to exhibit the following year.
5. Sale of Merchandise: Over-the-counter sale of merchandise is permitted. See section 2 for prohibited items. It is the responsibility of the exhibitor to register for, collect, and report appropriate sales taxes.
6. Indemnification: Exhibitor/Vendor agrees to indemnify and hold harmless the Water Safety Council, their respective governing boards, officers, volunteers, agents and employees from any and all liability of whatever nature for personal injury, property loss, or property damage sustained by the Exhibitor/Vendor and/or his employees and representatives. Liability and loss insurance is the responsibility of the Exhibitor/Vendor.
7. Compliance: Exhibitor/Vendor, its employees and representatives, shall observe and comply with all Federal, State, County, City and Airport ordinances, rules and regulations. **Drugs, tobacco products, alcohol and firearms are not permitted.**
8. Refunds: No refunds will be made unless Event Management receives written notice of cancellation of the contract more than 28 days in advance of the Water Safety Seminar. A \$25 handling fee will be deducted from any refunds.
